No Prospects at Pro Timing Day

Sun Devil Football is hosting its annual Pro Timing Day tomorrow, Wednesday, March 27. Under NCAA rules, prospects are prohibited from attending professional tryout events held on ASU's campus.

Pro Timing Day will take place in the morning at the football Student-Athlete Facility weight room and the Verde Dickey Dome. Thus, prospects who are on campus, whether for official or unofficial visits, may not visit these areas while Pro Timing Day tryouts are occurring.
