MID-YEAR ENROLLEES

- If a sport did not take any additional days off in the fall semester, the mid-year enrollee only needs to have 7 additional days off (not 14).

Dear Schuyler,

Congratulations on your exceptional high school achievement and your admission to Arizona State University. You will be an excellent addition to our community of scholars, and I look forward to welcoming you to ASU in fall 2018.

In addition, I'm pleased to offer you a scholarship through ASU's New American University Scholarship and Financial Assistance Program.

You qualify for the **\$10,000 resident President's Award** based on your high academic performance. This annual award is renewable for an additional three years, for a total of four years or eight semesters, and a total value of \$40,000.

Recognized as the most innovative school in the nation, ASU offers experiences outside the traditional university model. This means that as a New American University Scholar, you won't simply be a passive learner - with opportunities to customize how you learn, you'll be an active participant in your education.

I also invite you to visit Barrett, The Honors College to see the outstanding honors experience you can be part of. With a strong focus on academics, Barrett combines the feel of a small college with the broad resources of a research university. Barrett students have access to exclusive research, internship and travel programs as well as mentorship by the dedicated Barrett faculty. To learn more about Barrett, contact Donna Evans at 480-727-2721 or donna.evans@asu.edu.

Please reference the enclosed materials to learn more about your scholarship and the ASU scholar experience, and visit students.asu.edu/scholarshipguide for further information.
