• What this means:
  – Student assistant coaches can be undergraduate or graduate students.

Autonomy Proposals
AUTONYM PROPOSALS

BASEBALL-AGENTS

- New proposal:
  - Before full-time enrollment, a baseball player drafted by a pro baseball team can be represented by an agent/attorney during contract negotiations.

AUTONYM PROPOSALS

PROMOTION OF A NONATHLETICALLY RELATED BUSINESS

- New proposal:
  - A student-athlete may use his or her name, picture, or likeness to promote a nonathletically related business.

AUTONYM PROPOSALS

INSTITUTIONAL PRE-ENROLLMENT FEES

- New proposal:
  - Budget permitting, ASU may pay for pre-enrollment fees, such as
    - Orientation/enrollment deposit fee
    - Application fee

Note: International visa fee is not a pre-enrollment fee so it must come from SAF.
AUTONY PROPOSALS
ACCOMMODATIONS/ENTERTAINMENT FOR FAMILY MEMBERS

• New proposal:
  – ASU may provide
    • Meals, lodging, and entertainment for up to four family members during an official visit, and
    • A max of six comp admissions to home events.

AUTONY PROPOSALS
EIGHT HOUR PERIOD

• New proposal:
  – No CARA, other than competition, can occur during a continuous eight-hour period between 9 p.m. and 6 a.m.

AUTONY PROPOSALS
TRAVEL DAY NOT CONSIDERED DAY OFF

• New proposal:
  – Coaches may not count the travel day as the required day off per week.
  – Rationale: Student-athlete feedback has consistently shown they desire a true day off.
New proposal:
– CARA shall be prohibited for a three week period beginning the day after the conclusion of the championship segment.

What this means:
– Student-athletes may only participate in voluntary athletically related activities for those three weeks.
